Snagit: Microsoft Windows Screen Capture and Microphone Video Editor for Windows This is a Power User's Guide to Snagit for Windows. Snagit is free screen capture and video editing software for Windows. By TechSmith. The Missouri Supreme Court on Thursday overturned the historic defrocking of an eastern Missouri priest that sparked outrage among his followers, a decision that one Roman Catholic bishop says will "strengthen" a county's case against the church. The high court in Jefferson City ruled 2-1 that the St. Louis trial court's decision to remove and defrock religious leader Raymond Leo Burse was too harsh. Two of the court's five justices also voted to overturn the forced resignation in May of Burse, formerly Bishop John G. Friel of the Diocese of Lexington. Former parishioner Tracy Fondo had argued the diocese tried to force Burse out of the priesthood by using the appointment process to replace him, and by trying to silence his supporters. Now, his supporters could ask a court to grant him back his title of "Rev." and reinstate him to a parish in the diocese, Bishop Michael J. Sheridan of the Lexington di
