Moana (English) movie mp4 video download Moana (English) movie mp4 video download Moana (English) movie mp4 video download Moana is a Disney animated musical fantasy adventure film produced by Walt Disney Animation Studios and distributed by Walt Disney Pictures. Walt Disney Pictures' Kenneth Branagh serves as the film's director, while Joachim Rønning and Espen Sandberg serve as the film's co-directors. The story follows a young girl named Moana who discovers that her island home, the island of Motunui, is in danger. The island is about to be swallowed by an erupting volcano, and she sets out to save her people by finding the demigod Maui and acquiring the nautical superpower of the legendary demigod Te Fiti. While the story of Moana is largely based on traditional Polynesian culture, the film includes several fantasy elements that depart from typical Disney fare. Moana was produced at Disney's Walt Disney Animation Studios in Burbank, California, and was theatrically released in the United States by Walt Disney Pictures on November 23, 2016. The film is the first in a planned trilogy of Disney films following the success of Frozen. Moana's official soundtrack, titled Songs from Moana, was released by Walt Disney Records on December 11, 2016. It features various folk and traditional Polynesian music. Moana premiered at Disney's El Capitan Theatre in Hollywood, California, on September 8, 2016, and was released in the United States on November 23, 2016, in the format of Walt Disney Pictures' Disney Animation tradition. Although the film was panned by most critics and audiences, it has received widespread acclaim from Polynesian and animation enthusiasts. Despite its low box office performance, Moana is considered a commercial success, grossing \$1.248 billion worldwide. With over \$560 million in gross earnings, the film was the fifth most profitable film of 2016. At the 89th Academy Awards, Moana received nominations for Best Animated Feature and Best Original Song for "How Far I'll Go", as well as two Technical Achievement Awards for its music and underwater photography. Moana was also nominated for nine Annie Awards, winning two, including one for Best Animated Feature. M&A. POMONA COMMUNICATION - SAE SERVICE TECHNOLOGIES. COMPANY PROFILE.
