DjView is a Djvu viewer application. A Djvu document is a compressed file format used to store scanned images. This file format has been designed to facilitate the transfer of scanned data and to compress the images on the Internet. for the charge after it was issued, on April 23, 1993, and November 23, 1995. 3. A "conditional examination" is a process for ordering a pretrial psychiatric examination of a defendant. See Crim. Dist. Ct. Procedure Rule 13.3(a)(1)(D). The term "conditional" refers to the conditions required to be met before the examination is allowed. See id. 4. A "psychiatric examination" is a process for ordering a pretrial psychiatric examination of a defendant. See Crim. Dist. Ct. Procedure Rule 13.3(a)(2). The term "psychiatric" refers to the field of medical science dealing with mental, emotional, and behavioral illnesses and their effects on people. See id. I know of no such case. The trial judge is always in the position of having to deal with requests for "special" instructions. It may be argued that the giving of "special" instructions to the jury is not unlike the giving of "special" instructions to the trial judge--and an analogy could have been made to that. But I know of no reason why that analogy should not be allowed to stand. The trial judge may give special instructions to the jury in such cases as the case at bar, not because it is the practice of the court, but because the case does not come within the express provisions of the Code of Criminal Procedure. Indeed, such special instructions are allowed to be given even though the particular case does not fall within the terms of the Code of Criminal Procedure. This is so because the Code of Criminal Procedure is only a procedural enactment, which may be enacted by the legislature, but cannot be enacted by the courts. 12-Year-Old Sex Trafficking Victim Says No To Sessions A 12-year-old girl from Mexico is speaking out against Jeff Sessions and his anti-immigrant rhetoric. The girl's name is Maria de Jesus Pineda, and she testified on Tuesday before the House Judiciary Committee. MARY ALTAFFER, HOST: It's been almost a year since the Trump administration announced its zero-tolerance policy of separating children from their parents after crossing the U.S. border. One of those children was a 12-year-old from Mexico. Maria de Jesus Pineda is an undocumented minor who was separated from her family for seven months and is now
