## DVD Author Plus Crack + Activation [Win/Mac]

Burning CDs and DVDs is an easy job if you have the right program. DVD Author Plus Full Crack is a tool that can help you burn various types of discs. The software comes with a nice interface, with a clean layout that makes every feature easy to spot and select. You can create a DVD video, burn data and images to discs or rip an image of a CD or DVD. In order to create a video DVD you must drop the files into the designated area. The app supports various formats, such as WMV, WMV HD, VOB, MPEG-1, MPEG-2, AVI, DIVX, MOV and MPEG-4. You can give your disc a title, select one of the available aspect ratio options (standard 4:3 or widescreen 16:9) and a video format (NTSC and PAL). Furthermore, you can adjust the video quality; the higher the chosen quality, the shorter the recording can be. Also, Cracked DVD Author Plus With Keygen can write and create image discs. The software only supports ISO files. When burning the image to a DVD or CD, you can choose the writing speed and mode, as well as the number of copies. The app can create ISO files by copying the data from DVDs, CDs, audio and video CDs and DVDs. Furthermore, you can adjust the app to read hidden files and folders, to always verify data after burning and to remember the disc title. Default DVD Video options can also be defined. All in all, DVD Author Plus is a program that can be of great help. Inexperienced users should find this app easy to work with, thanks to the intuitive layout.
