Version 2011.0.1032.2 (ES2) Full Cracked. Download Wilcom Embroidery Studio Crack. Cracked. Who else has a problem with the way The Empire Strikes Back was made (and edited)? Isn't the plot of it the most ridiculous thing of all time? - March 2, 2006 Jeffery Epstein I hate The Empire Strikes Back. I think that it was a boring film, and I think that the ending was probably the most disappointing thing of all time. - March 1, 2006 JustinW Here's a good guide to the film; it's great. In the Annotated Empire Strikes Back, you'll find notes on all kinds of things you might not know about it. And on the DVD, there's a really excellent commentary by the filmmakers - by Mark Hamill, and by Lucas. - March 1, 2006 madolof I liked Empire Strikes Back, I think the only thing that bothered me was that it was so short. Empire I thought sucked, I hated it because they had to go and spoil my fun. - February 25, 2006 Jimb I hate this film. The best thing about it is Lucas's story about how he came to hate it, I don't really know that much about it, I have the DVD of it, and have watched it, and I have no idea what to say, its boring, and thats all, there is no reason to hate

it if you are young. - February 25, 2006
Lucky I loved Empire Strikes Back, I liked it a lot. I heard the same kind of stories about it as you, but I feel they're all kind of true. I'm not going to go through them all, but people complain about it being made and edited. I think the editing was good, the film was great. The movie was big and emotional, and I felt it captured much of the first movie's theme perfectly. - February 24, 2006
Wagaf I really don't think there's that much to
