Q: Resign first responder: This application is modifying a read-only property, a property that has been marked with the UMS_NOT_MODIFICABLE attribute, of a window that does not have a refresh command list. I've been having an issue with resigning first responder from a UITextField. I have a UITextField on a single ViewController, and have set the UMS_NOT_MODIFICABLE attribute. This property is marked as readonly, so I understand why I'm having issues. Here is my full code for the class: #import "FirstResponderAdder.h" @implementationFirstResponderAdder -(IBAction) becomeFirstResponder { [selfFirstResponder resignFirstResponder]; } -(void)dealloc { [self dealloc]; }
